Parish Missional Health Assessment:

Bishop Bergie is asking clergy and as many parishioners as possible across the Diocese complete the Parish Missional Health Assessment. This is a tool to help define a clear, realistic picture of every parish's strengths and growth areas. Please visit https://dpc4olay0gt.typeform.com/MissionalHealth and take a few minutes to complete the brief survey. You will get instant, personalized results delivered straight to your inbox. All results are also submitted anonymously to the diocese to give a comprehensive overview of how we are fulfilling our missionary call to evangelize.
