Carry the Nail – A Holy Week Devotion
A simple parish devotion to help us reflect on Christ's Passion, to recognize personal sin and to grow in unity through prayer, repentance and gratitude. On Palm Sunday, as you leave the church with blessed palms pick up one nail card. The nail represents our sins Jesus carried for us. Keep it with you through Holy Week as a reminder to pray and reflect. Make a simple examination of conscience each day to see and offer 'what is in your life that needs to be nailed to the Cross of Christ'. When you come to venerate the Cross on Good Friday, return the nail with repentance, trust in God's mercy and place it at the foot of the Cross, remembering "He was wounded for our offences, and by His wounds we are healed," Isaiah 53.5.
