St. Andrew-the-Apostle Parish Community

CARE BEARER OUTREACH MINISTRY

Parish Family Members Reaching Out
to Assist Parish Family Members

What is the Parish Community Care Bearer Outreach Ministry?

In response to our baptismal call and in an effort to model the compassion of our Lord and Saviour and Our Blessed Mother, as well as that we care, members of St. Andrew-the-Apostle Parish, in the Diocese of St. Catharines, are currently in the process of co-ordinating our efforts to provide for the diverse needs of the members of our parish family and with God's help satisfy these requests.

The Care Bearer Outreach Ministry Team of St. Andrew-the-Apostle Parish is offering to make this valuable service available to the family members of our parish community. This parish outreach is a free service to all. If you have a particular need of which we can be of assistance, feel free to call the parish office or Program Co-ordinator, Shelley at 905 714-7677. You may also complete the form included in this brochure and drop in the collection basket. We may not be able to fulfill every need but commit to doing our utmost to support you.

If you have any suggestions or comments, as we develop this unique parish outreach ministry, we welcome your talents, gifts and any experience you may want to share. If you choose to put your faith into action in this ministry kindly fill out the included form and return in the collection basket. We respectfully request for your generosity in patience as we find our way through this charitable work.

So then, whenever you have the opportunity, let us work for the good of all, and especially for those of the family of faith (Galatians 6:10).
