REFLECTION – Taken from a sermon by Saint Augustine

John is the voice, but the Lord is *the Word* who was *in the beginning*. Take away the word, the meaning, and what is the voice? Where there is no understanding, there is only a meaningless sound. The voice without the word strikes the ear but does not build up the heart. What does prepare the way mean, if not “pray well”? What does prepare the way mean, if not “be humble in your thoughts”? We should take our lesson from John the Baptist. He is thought to be the Christ; he declares he is not what they think. He does not take advantage of their mistake to further his own glory. If he had said, “I am the Christ,” you can imagine how readily he would have been believed, since they believed he was the Christ even before he spoke. But he did not say it; he acknowledged what he was. He pointed out clearly who he was; he humbled himself. He saw where his salvation lay. He understood that he was a lamp, and his fear was that it might be blown out by the wind of pride.
