Third Sunday of

SYNOD 2021-2023, Journeying Together

Pope Francis said, "Synodality is more than just a word or a slogan. Synodality is an expression of the very nature of the Church – the process of discerning how the Spirit is moving us, so that we may continue to fulfill our mission to evangelize in the world." Every voice is important and everyone is invited to participate. For those who still wish to be involved, an online survey is available on the diocesan website (<http://www.saintcd.com/synod-2021-2023>). Would you agree or disagree with the survey statement, "In my parish I feel free to speak up, courageously, candidly and responsibly"?
