### CHRIST IS RISEN!

He has burst open the gates of hell and let the dead go free; he has renewed the earth through the members of his Church now born again in baptism and has made it blossom afresh with men brought back to life. His Holy Spirit has unlocked the doors of heaven, which stand wide open to receive those who rise up from the earth... His rising brings life to the dead, forgiveness to sinners, and glory to the saints. And so David the prophet summons all creation to join in celebrating the Easter festival: *Rejoice and be glad*, he cries, *on this day which the Lord has made*. The light of Christ is an endless day that knows no night... as in heaven, no night can follow day, so no sin can overshadow the justice of Christ. The celestial day is perpetually bright and shining with brilliant light; clouds can never darken its skies. In the same way, the light of Christ is eternally glowing with luminous radiance and can never be extinguished by the darkness of sin... And so, my brothers, each of us ought surely to rejoice on this holy day. Let no one, conscious of his sinfulness, withdraw from our common celebration, nor let anyone be kept away from our public prayer by the burden of his guilt. Sinner he may indeed be, but he must not despair of pardon on this day which is so highly privileged; for if a thief could receive the grace of paradise, how could a Christian be refused forgiveness?
