SUNDAY MARCH 5th, 2023

THE TRANSFIGURATION OF THE LORD

Luke the Evangelist emphasizes the fact that Jesus was transfigured, "as he was praying". He was immersed in an intimate dialogue with the Father in which the Law and the Prophets — Moses and Elijah — also echoed; and as he adhered with his entire being to the Father's will of salvation, including the Cross, the glory of God flooded him, even shining on the outside. This is how it is, brothers and sisters: prayer in Christ and in the Holy Spirit transforms the person from the inside and can illuminate others and the surrounding world. How often have we found people who illuminate, who exude light from their eyes, who have that luminous gaze!

They pray, and prayer does this:
it makes us luminous with the light of the Holy Spirit...
 Let us joyfully continue our Lenten journey. Let us make room for prayer and for the Word of God which the liturgy abundantly offers us these days. May the Virgin Mary teach us to abide with Christ even when we do not understand or comprehend him because only by abiding with him will we see his glory. - Pope Francis
