Feast of St. Padre Pio

St. Padre Pio have inspired millions of Catholics worldwide, offering profound spiritual wisdom that continues to resonate with believers today. Padre Pio's words carry deep meaning for those seeking to strengthen their faith and deepen their relationship with God.

Few are **his quotes inspiring** us to lead a life closer to God

*.. Prayer is the best weapon we possess, the key that opens the heart of God.

*.. Prayer is the oxygen of the soul.

*.. If we only knew how God regards this Sacrifice, we would risk our lives to be present at a single Mass.

*.. God is served only when He is served according to His will.

*.. Faith guides even through dark moments

*.. Hold on tightly to the Rosary. Be very grateful to the Madonna because it was she who gave us Jesus.

*... It is difficult to become a saint. Difficult but not impossible.

*.. Remember that God is within us when we are in a state of grace and outside of us when we are in a state of sin.

One of the most **extraordinary miracles attributed to Saint Padre Pio was his ability to be in two places at once, known as bilocation.** Padre Pio's life teaches us that **through persistent prayer, especially the daily recitation of the Rosary, we can draw closer to Christ and His Blessed Mother.**

Through his example, may we too become instruments of God's love and mercy in our world.

A BIG THANK

A heartfelt **THANQ** to all our wonderful **Volunteers, and parishioners** who came together to make our **Family Mass and Luncheon** such beautiful and joyful event. It also raised \$800.

We appreciate everyone who worked behind the scene, contributed generously, prepared the food, served, organized and supported this event. We also are so grateful to the Choir and those served at the altar.

Together in faith, united in love, we thank God for our Parish family. Blessings! Fr. Paul.
