The last week of the Liturgical year is devoted to escatho-logical themes: ***Christ the King*** will restore all creation and present His kingdom to the Father. Let us rejoice with our King. ***Advent*** has a twofold nature. It prepares us for Christmas, when we recall Christ's first coming among us, and it is also a time when we look forward to His second coming at the end of the ages. Advent is a season of joyful expectation!

Roof is almost done..have you..

Dear Parishioners and Friends,
The roof work is almost over. It may take 2 more days to finish. Let us thank God for this blessing. If we can raise at least thirty-five thousand dollars for this project, we will be in a great position.

*Thank you to all who supported this project. We got **61%** of our target amount, so far. Thank you, that's great.*
Friends, I want to share with you what a parishioner did: he talked to a firm manager about our project. When he heard about the project, he was happy to support. I am so grateful to our friend for this great help and I request you to kindly do the same, if you have any contacts like this.

With Saint Paul, I urge that each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.. This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God'. (2Cor.9:6-13)

Kindly keep praying for me, and our parish. With God's blessing and support, we will be able to accomplish this goal.
With love and prayers,
Fr. Paul Vellakunnath, Pastor
