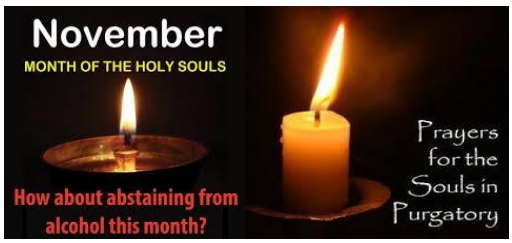
Our Church teaches that at the moment of death each person will have to stand before the judgment seat of God and give an account. This is called ***"particular judgment"*** because it is particular to each person. When Jesus comes again at the end of time there will be the ***"last judgment"*** that will reveal to its fullest consequence the good each person had done or failed to do on earth (CCC1039). The **image of a lamp** that we find in the Gospel parable represents the light of faith. The oil symbolizes what we do to keep the light of faith burning brightly in our lives. To put it simply, being spiritually vigilant is to work at personal holiness. This does not happen naturally because of our sin and human weakness. "Keep awake therefore, for you know neither the day nor the hour." ***Also remember on 11/11 the 118,000 who gave their lives and their futures so that we may live in peace.***



Have you contributed to the roof-fund? God has given you so much, and u forgot..

Dear Parishioners and Friends,
Yes, we are about to install a new metal roof as I mentioned earlier. If we can raise thirty-five thousand dollars more for this project, we will be in a great position.

*Thank you to all who supported this project. We got **50%** of our target amount, so far. Thank you, that's great.*
Friends, I want to share with you what a family did: they contacted their children, grandchildren, family members and friends who have some connection to this parish. Some of them were baptized here. Many had celebrated all their Sacraments here and left to another place after their wedding or so. When they heard about the project, they were happy to support. I thank that family for this great idea and I request you to kindly do the same.

With Saint Paul, I urge that each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.. This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God'. (2Cor.9:6-13)

Kindly keep praying for me, and our parish. With God's blessing and support, we will be able to accomplish this goal.
With love and prayers,
Fr. Paul Vellakunnath, Pastor
